Home computer hardware and educational software You may use up to \$200 to qualify for the credit and another \$200 for the subtraction	x	х
 *A qualified instructor is a person who is not the child's sibling, parent, or grandparent, and n requirements: Is a Minnesota licensed teacher or is directly supervised by a Minnesota-licensed teacher or is directly supervised by a Minnesota-licensed teacher or a bacches in an accredited private school Has a baccalaureate (B.A.) degree Is a member of the Minnesota Music Teachers Association 		of these

Computer hardware and educational software: Personal computer hardware and educational software purchased during the year for use in the home qualifies, as long as it is not used in a trade or business. Ex: personal computer, printer, monitor, modem, additional hard drives, memory upgrades, or adaptive equipment for students with disabilities. Software must have a clear educational purpose – computer games without educational value do not qualify. Note: monthly charges for internet access do not qualify.

See also the <u>Minnesota K-12 Educational Expenses worksheet</u> for use at your tax preparation site.

Expenses That Do Not Qualify for Either the K-12 Education Credit or Subtraction:

- Costs to drive your child to and from school, tutoring, enrichment programs, or camps not part of the regular school day
- Travel expenses, lodging, and meals for overnight class trips
- Fees for materials and textbooks purchased for use in religious teachings
- Sport camps or lessons
- Books and materials used for tutoring, enrichment programs, academic camps, or afterschool activities
- Tuition and expenses for preschool or post-high school classes
- Costs of school lunches
- Costs of uniforms used for school, band, or sports
- Monthly internet fees
- Noneducational software

K-12 Education Credit (Schedule M1ED)

You may receive a credit if you paid education-related expenses in 2023 for a qualifying child in grades kindergarten through 12 (K-12). To qualify, your adjusted gross income must be under the limit based on your number of qualifying children in grades K-12. A qualifying child is the same as for the federal Earned Income Credit.

Total qualifying children	Your adjusted gross income limit is:	
1 or 2	\$76,000	
3	\$79,000	
4	\$82,000	
5	\$85,000	
6 or more	\$88,000 plus \$3,000 for each additional qualifying child	

Refer to the MN Modified Volunteer Training Manual for more qualification information

The **K-12 Credit** is limited to \$2000 in qualifying expenses per qualifying child. This is in aggregate for the family, not limited to each child individually and includes the max \$200 computer expenses allowed per family. A family with 2 qualifying children could receive a maximum **refundable** credit of 75% of \$4000 which equals \$3000 credit.

The **K-12 Subtraction** does not have AGI limits. It has limits for the grade level each child was in at the end of the calendar year: The subtraction only reduces taxable income. It is not refundable. Grade K-6 \$1625 Grade 7-12 \$2500 (This includes grade 12 expenses for those who graduate before the end of the calendar year) Plus \$200 computer expenses per family
